Families consisting of 3 children, can be accommodated in the family room with the addition of an

Day 5 & 6: Savute Safari Lodge, Chobe National Park, Botswana

About 40 minutes charter flight to our next Camp.

Savute Safari Lodge is situated on the banks of Botswana's fabled "Stolen River", the Savute Channel. Stretching from the waterways of the Linyanti all the way to the Savute Marsh, the winding waterways of the Savute Channel have pumped life into the western section of the Chobe National Park for many thousands of generations. However, there is mystery to this channel, this fickle and unpredictable channel has a fascinating history of flooding and drying up independently of good rainy seasons and flood levels elsewhere – a mystery that has intrigued geologists and researchers for many years.

Savute Safari Lodge consists of 11 luxury thatch and timber chalets and 1 family suite raised on expansive private decks, accommodating only 24 guests.

Your time at Savute Safari Lodge is spent on private game drive activities with your guide.

Savute Safari Lodge offers the following activities:

- Activities are centred around game drives throughout the Savute area in open 4x4 safari vehicles
- Families can also enjoy a visit to the ancient San rock paintings at Gubatsa Hills, a small hilly outcrop which forms a remarkable landmark in the otherwise flat landscape. (Visits to these painting at times when predators are known to be denning near these hills will restrict this activity.

Day 7 & 8: Chobe Game Lodge, Chobe National Park

About 30 minutes charter flight to Chobe Game Lodge in Kasane.

Chobe Game Lodge is situated within the famous Chobe National Park and is Botswana's premier venue for guests looking for a perfect base from which to explore the National Park and the Chobe River. Chobe Game Lodge is designed as a haven of peace and privacy – where relaxation is effortless, and you can enjoy your own space. With six comfortably furnished viewing decks, a riverside boma, two bars, six different lounges and four dining locations, a comfy chair or lounger is never far away, each with a different perspective on the

wilderness that surrounds the lodge. A large swimming pool provides welcome relief during hot afternoons and there is always a waiter on hand to bring you refreshments from the bar.

Guests wishing to pamper themselves are welcome to book one of the delightful treatments from our in-house beautician (for which there is an extra charge) or hit the gym for some exercise between the usual Lodge activities (complimentary).

- Morning or sunset cruises.
